So, you want to do a show?

Thank you for approaching WORT with your show idea. The Programming Committee will review this form as the first step in considering your show proposal. Please fill out this form with as much detail as possible as to give the committee a full picture of what your show would sound like. Remember, you must be able to commit to WORT for a full year.

1. Include your name, address, work and home phone numbers, and email, if you have it.
2. Explain in as much detail as possible the type, content, and format of your show.
3. How much people-power will it take to make your proposed show a success? (i.e. Will you be working with others? Who would host the show? How would you recruit new volunteers?)
4. Why is this show important for the community? What motivates you to want to do this show? How does your idea fit in with the WORT mission statement? (see attached sheet)
5. What resources do you have at your disposal to execute your show?
6. Do you have any previous WORT or other radio experience (either on- or off-air)? When and where?
7. How is your show idea different from any other shows heard either on WORT or other stations in the area?
8. If there is not an opening for your show at this time, would you still be interested in volunteering at WORT in another capacity?
